

February 4, 2011

Dear 4-H Leaders,

As you are aware the 4-HSSAC has an Air Rifle Range (8'X24'). The purpose of the range is to have it travel around the state to be set up at exhibits, events and fairs. Its purpose can be used for club fundraising, training events and competitions. As a 4-H Rifle Instructor and Shooting Sports club you can reserve the tent for your fair or event in 2011.

If your group would like to use the range for purposes of fundraising at your fair or other events you will need to do the following:

1. Contact your 4-H Agent/4-H Program Associate and let them know what your are doing and
2. Contact your fair board to be sure that you can use the range on the fairgrounds.

After you get your approval, please contact me at speterson@co.hunterdon.nj.us and reserve it for your fundraising venue. Summer events run week to week and you will need to pass it on as soon as your venue is completed. At the end of the summer season, it will be housed at the Peterson Farm and used for fall and spring training. We really want every county to take advantage of this. I have placed an order for a banner that will travel with the range. The range comes with a reset target system. You will need to supply pellets and guns for your events/fairs.

If something should happen to break or damage it will be your responsibility to repair it or replace it. There will be an agreement form that you will need to fill out prior to using it. As soon as the range arrives, I will be in touch, for now work on getting approval so that your club can earn some funds.

Sincerely,

A handwritten signature in cursive script that reads "Sherrie Peterson".

Sherrie Peterson
4-H Program Assistant
